Read:

Director of Employment and Training Rc.No.36827/Plan3/2015
dated 18.09.2015.

ORDER:

In the letter read above Director of Employment and Training has stated that in Tamil Nadu, there are 77 Government Industrial Training Institutes imparting training in 45 Engineering and 20 Non-Engineering trades. For optimum utilization of the infrastructure all these Industrial Training Institutes run in 2 shifts. The total seating capacity in these Industrial Training Institutes is 31995. This is not adequate to meet the current skill demand of the State.

2. The National goal is to create 500 million trained and skilled manpower by 2022. Tamil Nadu Vision 2023 envisages skilling 20 million youths by the year 2023. To translate these objectives into reality, the existing capacity for training manpower is to be expanded manifold. There is a strong need to start more Industrial Training Institutes in the State. The State capital of Chennai is fast growing industrial Hub. There are many industries yet to be established in and around Chennai as per the MoU signed in Global investors meet held recently. Hence there is a strong need for the skilled manpower in and around Chennai.

(P.T.O.)

3. Hence, the Director of Employment and Training has proposed to start a New Government Industrial Training Institute with Hostel facilities in the identified land Division No.40, Arunachala Eswaran Kovil Street, Kamarajar Salai, PWD Land, 5 acres out of 13.162 acres in Dr.Radhakrishnan Nagar Constituency in Chennai Revenue District with the following trades:-
